I. PURPOSE AND SCOPE

The Uniform Budgeting Act, P.A. 621 of 1978, requires that the officers and/or employees of a local unit of government shall not authorize or participate in the expenditure of funds except as authorized by the units Legislative Body. It is the intent of the Livingston County Board of Commissioners that elected officials and department heads preserve the integrity of Livingston County government by adhering to the budget adopted by the Board of Commissioners and agreeing to submit forth claims for payment that are appropriate, reasonable and required for the administration and operation of their departments.

II. POLICY

Claims will be reviewed and certified by the responsible administrative officials prior to payment approval by the Board of Commissioners, to assure the prompt payment of invoices and the financial integrity of Livingston County government. The Accounts Payable department may pay certain budgeted pre-authorized account claims prior to approval by the Board to avoid finance or late charges in accordance with Payment of Accounts Payable with Board Pre-Authorization Policy. Claims which are presented for payment are subject to review and further discussion at the discretion of County Administration, in accordance with the Accounts Payable Audit Policy.

It shall be the duty of the County Board of Commissioners to adjust, allow and authorize the payment of all claims against the County. See: MCL 46.11 (q) and MCL 46.71.

Livingston County will follow the guidelines of allowable and unallowable expenditures for a Governmental Unit as set forth in the Bulletin for Audits of Local Units of Government issued by the Michigan Department of Treasury. The Bulletin can be accessed by following the link below:
