RESOLUTION IN SUPPORT OF THE FINAL REPORT OF THE LEGISLATIVE COMMISSION ON STATUTORY MANDATES – DECEMBER, 2009 – BOARD OF COMMISSIONERS

WHEREAS, the electorate of the State of Michigan passed an amendment in November, 1978, to the State's Constitution that required the State to fund mandates imposed on local units of government (often referred to as the "Headlee Amendment"); and

WHEREAS, the Headlee Amendment (Article IX, Section 29) states:

"The state is hereby prohibited from reducing the state financed proportion of the necessary costs of any existing activity or service required of units of Local Government by state law. A new activity or service or an increase in the level of any activity or service beyond that required by existing law shall not be required by the Legislature or any state agency of units of Local Government, unless a state appropriation is made and disbursed to pay the unit of Local Government for any necessary increased costs. The provision of this section shall not apply to costs incurred pursuant to Article VI, Section 18."; and

WHEREAS, the Headlee Amendment became effective on December 23, 1978; and

WHEREAS, the State Legislature established the Legislative Commission on Statutory Mandates (LCSM) through P.A. 98 of 2007, as amended by P.A. 356 of 2008 and assigned the LCSM to identify mandates (including those involving reports) and the related cost of the mandates to local units of government, along with recommendations to resolve the unfunded mandates; and

WHEREAS, the LCSM has completed its report in December 2009 entitled "Final Report of the Legislative Commission on Statutory Mandates" that reaffirms the Interim Report results and provides recommendations, including but not limited to:
