**ACCESS, INSPECTION, REPRODUCTION, AND CREATION OF COURT RECORDS**

**IT IS ORDERED:**

This administrative order is issued in accordance with Michigan Court Rules 8.119(H) and 8.110(C)(7). The purpose of this order is to regulate requests for access, inspection, and reproduction of public court case records and to allow flexibility in providing approved court forms or creating new case records.

The clerk may not permit any case record to be taken from the court without the order of the court. The court may provide access to the public information in a register of actions through a publicly accessible website; however, all other public information in its case records may be provided through electronic means only upon request.

1. Court records addressed by this administrative order include:
  - a) Records kept by the Clerk of the Court. This includes case files, registers of action, numerical and alphabetical indexes, and calendars. MCR 8.119(D).
  - b) Court Recordings, Log Notes, Jury Seating Charts, and Other Media. This includes video/audio/digital court recordings, notes, tapes, logs, backup tapes, discs, and any other medium used or created in the making of a record of proceedings and kept pursuant to MCR 8.108. MCR 8.119(F).
  - c) Security recording. This includes video/audio/digital recordings within the courtrooms and secure court staffing areas.
2. Procedures for accessing, inspecting, and reproducing nonpublic information and records are set forth in Component 19 of the Michigan Trial Court Case File Management Standards, chart of Nonpublic and Limited-Access Court Records, Local Administrative Order 1 (Friend of the Court records), and Administrative Order 2006-2, Privacy Policy and Access to Records.
3. A list of court records, including those defined in MCR 8.119(E), that are not subject to public access and inspection is contained in the chart of Nonpublic and Limited-Access

Court Records.

4. Court records are not subject to Freedom of Information Act requests. MCL 15.232(d)(v) specifically exempts the judiciary from the Freedom of Information Act.
5. In accordance with MCR 8.110(C)(7), the Court shall provide litigants with forms approved by the State Court Administrator at the cost of \$1.00 per form.
  - a) Parties will be limited to a maximum of five copies per each type of form requested.
  - b) There will be no charge for forms requested by court-appointed attorneys on cases to which they have been appointed or for indigent parties.
  - c) There will be no charge for forms prepared by the court.
  - d) The Circuit Court or Clerk of the Court may not charge a fee for pro se forms for personal protection proceedings or motion forms for criminal post appeal relief. MCL 600.2950, 600.2950a, MCR 6.502(C)(15).
6. Any person may access and inspect, at no charge, any case record or information contained in those records, regardless of means of access and record format, unless access is restricted by statute, court rule, or a court order entered pursuant to MCR 8.119(I) and may also obtain copies subject to the following regulations established in accordance with MCR 8.119(J).
  - a) General
    - i) All requests to access and inspect case records identified in this administrative order and/or for copies of those records must be made on a "record/copy request form" and must specify a complete case number or party names except as provided under item ii.
    - ii) Persons who do not have a complete case number or party names may review available case indexes to identify and select specific cases for inspection. Such indexes will be limited to the public access terminal.
    - iii) Case records shall be reviewed at the public counter unless, in the discretion of court supervisory personnel, approval is granted to review records in the clerk's office based on available space, the type and number of records to be reviewed, and the length of time necessary to review them.
    - iv) Ensuring the right of immediate access to and public inspection of court records shall be a top priority, but may be limited by the availability of court staff to supervise the inspection.
    - v) Court staff will not perform file look-up via phone or fax inquiry. All parties will be directed to the on-line service for court record searches at [www.livgov.com](http://www.livgov.com) for Circuit and District Court files. Inquiries regarding Probate and Juvenile court files must be submitted in writing to the Probate or Juvenile court.

b) Access

- i) Except for online public case indexes and registers of case action, requests for access and inspection to no more than ten specific case files will be accommodated within two days unless the files are not in the active file area. Requests for specific case records in storage will be accommodated within 10 business days.
- ii) Requests for access and inspection to more than 10 specific case files will be accommodated within a reasonable amount of time, depending on the total number of case files requested and the availability of court staff.
- iii) Case information requests from other courts that lack specific case numbers or party names shall be researched by this court. Requested information will be provided at no charge.
- iv) Requests to perform general traffic or criminal record checks that do not have specific case numbers or party names will not be researched by the court. They will be referred to the appropriate state agencies to obtain this information or to the available indexes referred to under subsection 6(a)(ii).
- v) Requests for the wholesale review of particular types of case records will only be considered if, in the court's discretion, the request will not unreasonably interfere with the discharge of court functions. With these types of requests, the court may specify the date, time, and manner in which access is to be granted. It will be the responsibility of those persons requesting access to make prior, acceptable arrangements with the court.

c) Copies

- i) The Court will provide copies of active case file documents (50 or fewer total pages) at a cost of \$1.50 per page within 1 hour of the request for copies, except that copies of transcripts filed with the court shall not exceed \$.30 per page pursuant to MCL 600.2543.
- ii) Requests for more than 50 total copies of active case file documents, or copies of case file documents in storage, will be accommodated within a reasonable amount of time as determined by the (1) total number of pages to be copied, (2) availability of court staff and photocopying equipment, and (3) nature of the request, such as the degree to which court staff is required to identify, select, and review documents to be copied.
- iii) In order to preserve and maintain the integrity of court records and to prevent unreasonable interference with the discharge of court functions, persons will not be permitted to copy or otherwise duplicate court records using their own equipment.

d) New Record Creation

- i) Requests for creation of a new record, as defined in MCR 8.119(J)(4), will be granted only if creating the new record will not unreasonably interfere with the discharge of court functions. If granted, the request will be accommodated within a reasonable amount of time dependent upon the availability of sufficient public data within the body of case records (including related databases), and the ease in which those records can be identified and compiled.

- ii) Costs to provide a new record may not exceed the actual cost of labor and supplies and the actual use of the system to develop, generate, and validate the accuracy of the record.
- iii) Transcripts may be ordered through written request as follows:

- 44<sup>th</sup> Circuit Court - Family Division, including Juvenile Court and Friend of the Court Referee Hearings

7. Access to court recordings, log notes, jury seating charts, and other media of court proceedings made pursuant to MCR 8.108 is permitted in accordance with this order:
- a) Review of the digital recording of a court proceeding (other than closed proceedings) may be requested by anyone and is not limited to attorneys and parties of record. Requests to view proceedings shall be made through Circuit Court Administration and referred to the office of the judge assigned to the case. Because the courts do not have adequate space or staff, immediate viewing may not be possible, but will be made available within a reasonable amount of time. The judge assigned to the case(s) for which a request to view has been made will decide when the viewing of the digital recording will occur.
- b) Those persons that have been authorized to view a digital recording of a proceeding are prohibited from copying, photographing, or recording it by any means. Persons in violation of this order may be subject to a fine and incarceration for contempt of court.
8. Copies of court recordings, log notes, jury seating charts, and other media of court proceedings made pursuant to MCR 8.108 are not available, except copies of proceedings (swearing-in, marriage, etc.) may be released at the discretion of the magistrate.
