Data Dissemination Agreement Livingston County Geographic Information System

We, the undersigned, hereby agree to the following conditions for receiving data from the Livingston County Information Technology Department/GIS Division:

1. The data provided by the Livingston County Information Technology Department/GIS Division will be used only for the project(s) specified below:
❖
2. The Livingston County Information Technology Department/GIS Division will be properly cited as the source of the data when using it in printed form.
3. All assumptions and sources of error shall be communicated to the recipient(s) of the data. These assumptions and sources of error shall be noted on any published map.
4. No manipulation of the existing data (excluding thematic mapping and map compositions) shall take place without written consent from the Livingston County Information Technology Department/GIS Division.
5. The data will be returned (via the same media by which it was originally transferred) to the Livingston County Information Technology Department/GIS Division at the completion of this project. **Agencies outside the Livingston County Information Technology Department/GIS Division agree to delete any copies of this digital information made after the data was distributed.**
6. Data from the Livingston County Information Technology Department/GIS Division shall not be distributed to parties not named in this agreement nor served on the Internet through an interactive mapping website.
