Special meetings shall be held within ten (10) calendar days of the receipt of the written request and shall be held between 8:00 a.m. and 5:00 p.m. at a time and place, which is mutually agreeable to the parties. An error in furnishing copies shall not affect the merits of the discipline. Suspension notices shall remain in effect for a period not to exceed fifteen (15) calendar months from the date of the suspension notice. Any employee receiving three (3) suspension notices within fifteen (15) calendar months may be discharged with cause; however, this shall not be construed as requiring a specified number of suspension notices before discharge may be imposed.

11.3: All suspensions and/or discharges issued by designees of the Sheriff shall be reviewed by the Sheriff or designee within twenty-four (24) hours following the suspension and/or discharge. If, in the opinion of the Sheriff, the suspension or discharge was unwarranted, the employee shall be reinstated in his/her position without loss of seniority or wages for the period of his/her discharge or suspension.

ARTICLE 12
GRIEVANCE AND ARBITRATION PROCEDURES

12.1: A grievance is defined as a claim reasonably and sensibly founded of an alleged violation of this Agreement. Any grievance filed shall refer to the specific provision alleged to have been violated and shall adequately set forth the facts pertaining to the alleged violation. All grievances shall be commenced within ten (10) working days following the incident that caused the grievance. Any claims not conforming to the provisions of this definition shall be automatically defined as not constituting a valid grievance.

12.2: An employee having a grievance in connection with the terms of this Agreement shall present it as follows:

STEP 1: The grievance shall be reduced to writing by the employee and/or Union representative and presented to the Undersheriff within the ten (10) working day period, requesting that the grievance be adjusted. The Undersheriff shall meet with the employee to discuss the grievance and will attempt to respond to said grievance within three (3) working days of said meeting, but in no event more than six (6) working days after the grievance has been presented to the Undersheriff. The employee shall have a steward present. No settlement shall be final and binding until it has been approved by the Sheriff or his designated representative. The employee shall suffer no loss of pay for the time spent with the Undersheriff to discuss the grievance. The answer of the Undersheriff may be given verbally.

STEP 2: If the grievance is not satisfactorily resolved at Step 1, the decision rendered may be appealed to the Sheriff by giving the Sheriff written notice thereof within five (5) working days following receipt of the Undersheriff's written answer in Step 1. Upon appeal, the matter shall be reconsidered at a meeting scheduled within ten (10) working days. The Union shall be represented at this meeting by the Local President or his or her designee and the MAP Labor Relations Specialist. The Employer shall be represented by the Sheriff and/or other Employer representatives. The Sheriff shall reply to the appeal in writing within ten (10) working days following such meeting.

STEP 3: In the event that the grievance is not satisfactorily resolved at Step 2, the Union may Appeal the matter to an arbitrator by giving the Sheriff written notice of its intent to arbitrate within ten (10) working days following receipt of the Employer's answer in Step 2.

12.3: If a timely request for arbitration is filed by the Union on a grievance, the union shall submit a request for a panel from the Federal Mediation and Conciliation Service under the rules of the American Arbitration Association. The fees and services of the arbitrator shall be shared equally by the Union and the Employer, but each party shall bear the costs of its own expenses and witnesses.

12.4: Arbitrator's Powers. The arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. He shall at all times be governed wholly by the terms of this Agreement. The arbitrator shall have no power or authority to amend, alter, or modify this Agreement either directly or indirectly. If the issue of arbitrability is raised, the arbitrator shall only decide the merits of the grievance, if arbitrability is affirmatively decided. It is the intent of the parties that arbitration shall be used during the life of this Agreement to resolve disputes which arise concerning the express provisions of this Agreement which reflect the only concessions which the Employer has yielded. The arbitration award shall not be retroactive earlier than the date the grievance was first submitted in writing. The arbitration award shall be final and binding on the Employer, Union, and employees. However, each party reserves the right to challenge arbitration awards thereunder if the arbitrator has exceeded his jurisdiction or has arrived at his award fraudulently or by improper means.

12.5: Time Computation. The time limits established in the grievance procedure shall be followed by the parties. If the time procedure is not followed by an employee or the Union, the grievance shall be considered settled. If the time procedure is not followed by the Employer, the grievance shall remain active and automatically advance to the next step, provided, however, that arbitration shall not occur unless the Union submits written notice of its desire to arbitrate. The time limits established herein may be extended by mutual agreement in writing. In computing days under the grievance and arbitration procedures, Saturday, Sunday, and holidays shall be excluded.

12.6: Election of Remedies. When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure, in addition to the grievance procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any grievance procedure provided for in this contract and, subsequently, elects to utilize the statutory or administrative remedies, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited. This section shall not be applicable to worker's compensation proceedings or complaints filed with the Equal Employment Opportunity Commission.

ARTICLE 13 **STRIKES AND LOCKOUTS**

13.1: The Union agrees that during the life of this Agreement, neither the Union, its agents, nor its members will authorize, instigate, aid, condone, or engage in a work stoppage, slowdown, stay-away, strike, or other concerted activity which interferes with the operation of the Sheriff's Department. The Sheriff agrees that during the same period, there will be no lockouts. Individual employees or groups of employees who

ARTICLE 14

14.1: Probationary Period. New employees hired into the bargaining unit shall be considered probationary employees for the first twelve (12) months of their employment. An employee may have his/her probationary period extended for no more than two (2) consecutive three (3) month periods when, in the sole discretion of the Sheriff, the employee's performance is not satisfactory. An employee who is employed in the Livingston County Sheriff's Department that is promoted or reclassified into a position in this unit shall serve a twelve (12) month trial period in the new position during which time the employee may be reverted back to his or her former position without loss of seniority if the employee is unable to satisfactorily perform the duties required of the new position. During this period, the promoted employee may also revert back to his or her former position at his or her request without loss of seniority. An employee hired from within shall be considered as an "acting" lieutenant for the period of time listed above.

ARTICLE 15
SENIORITY

15.1: Upon completion of a newly hired employee's probationary period, he or she shall be granted seniority and his or her name shall be added to the department seniority list. In the event that the Employer, in its sole discretion, determines to reduce the workforce, such layoffs will be in the classifications selected by the Employer and in the numbers determined by the Employer subject to the terms and conditions specifically provided for in this Agreement.

16.1: Seniority rights shall prevail in cases of layoff and rehire where the employee's ability, experience, training, and work record in the discretion of the Employer are equal; provided that when all other factors are equal, seniority in rank shall be the determining factor.

16.2: Notification of employees affected by a reduction in force shall be in writing and given or sent by certified mail to the employees two (2) calendar weeks in advance. The notice shall state the reason(s) for such action. A copy of the notice will be simultaneously forwarded to the Union.

All requests must be in writing, must give the reason for the request, must give the expected duration of the leave, and must be approved by the Sheriff if the personal leave is to be granted. A personal leave of absence may be granted to attend an educational institute, to perform volunteer services, for managing a personal emergency, to assist in the care of others not already provided for under the Family Medical Leave Act (FMLA), and for other reasons deemed appropriate by the Sheriff. An employee may elect to use any or all accrued vacation leave. If the election is made and the accrued vacation leave is exhausted, any remaining leave shall be without pay and benefits. If the election is not made, the employee understands that the leave shall be without pay and benefits. If the personal

leave is granted for more than thirty (30) calendar days for whatever reason, the Sheriff does not guarantee that the employee will be reinstated to their former position. The employee shall, however, be notified prior to the position being filled by another individual to determine if the employee is able to return from personal leave. If the employee is unable to return, every effort will be made to place the employee in a position for which they are qualified upon return. If no positions are available, the employee will be given top consideration as job openings occur in line with their qualifications.

During an unpaid personal leave, the employee shall not engage in gainful employment and must pay medical, dental, and life insurance premiums/illustrated rates to the County Human Resources Department to keep the coverage in force.

19.2: Sick Leave: Subject to the Michigan Paid Medical Leave Act, 2018 PA 369 (“the Act”) All employees covered by this Agreement shall accumulate sick leave days at the rate of 3.7 hours per each full pay period of service. Sick leave days for new employees may be used upon completion of ninety (90) calendar days of continuous service, at which time an employee shall be credited with forty-eight (48) hours of sick leave. No sick leave payment shall be made to newly hired employees during the first ninety (90) calendar days of their probationary period for any reason.

Earned sick leave may be used for: the employee’s illness, doctor and/or dentist appointment, care for a sick family member as defined by the Act, exposure to a contagious disease (doctor’s statement required to verify need to be absent), and to supplement lost time not covered by Worker’s Compensation, but not to exceed regular straight time salary.

Employees may accumulate a maximum of eight hundred (800) hours of sick leave.

19.3: Return to Work: An employee, upon returning to work from an illness of three (3) working days or more, may be required to submit a statement, if requested by the Sheriff or designee, from a physician qualifying the employee’s ability to return to work.

19.4: Notification: When an employee finds it necessary to be absent for any reason, the employee shall report the necessity to the Sheriff or designee prior to the date of the absence, when possible, and, in any event, such report must be made at least one (1) hour before the employee is to report for work. Failure to do so may be cause for denial of sick leave with pay for the period of absence and may subject the employee to disciplinary action.

Employees who abuse the sick day privilege policy by using most of their accumulated sick leave as they become eligible for sick leave pay, absent a notice from a physician, shall be issued a written reprimand for excessive absenteeism. An employee receiving two (2) written reprimands within a twelve (12) month period may be subject to disciplinary action up to and including discharge at the sole discretion of the Sheriff.

Employees calling in sick either the day before or the day after a holiday may be required to obtain proof of illness from a doctor.

An employee who makes a false claim for paid sick leave may be subject to disciplinary action up to and including discharge at the sole discretion of the Sheriff. The facts used by the Sheriff in making the decision to discipline the employee for making a false claim for paid sick leave may be grieved up to and including arbitration. The arbitrator shall be limited to only a finding on the reasonableness of the facts used in supporting the determination that a false claim was made for paid sick leave. If the arbitrator finds that the facts do not support a reasonable finding that the claim for paid sick leave was false, the discipline shall be overturned. If, however, the arbitrator determines that the facts reasonably support a finding of a false claim for paid sick leave, the discipline shall stand as issued by the Sheriff.

19.5: Personal Days. Two (2) accumulated sick days in a calendar year may be converted to personal days and may be taken with the approval of the Sheriff or designee. Two (2) personal leave days shall be in addition to all other time off and shall not be deductible from sick leave. Use of sick leave for any other personal business is not allowed, and its use as such may also be cause for disciplinary action.

19.6: Annual Sick Leave. Unused sick time may be accumulated to a maximum of eight hundred (800) hours. An employee that accumulates more than eight hundred (800) hours of sick leave as of November 30 each year will be paid for seventy-five percent (75%) of all sick hours in excess of eight hundred (800) however, this payment shall not be MERS eligible wages and therefore not includable in the final average compensation for pension calculations. This is to be paid in the second payday of December.

19.7: Retirement Sick Leave Payoff. Upon retirement, seventy-five percent (75%) of the accumulated sick leave, up to a maximum of eight hundred (800) hours pay, will be paid to the employee or the employee's estate, based upon the employee's current salary. For employees hired after January 1, 2023, the maximum sick time payout at retirement shall be 400 hours. Upon death, one hundred percent (100%) of the accumulated sick leave, up to a maximum of eight hundred (800) hours pay, will be paid to the employee's estate, based upon the employee's current salary. For employees hired after January 1, 2023, the maximum sick time payout at death shall be 400 hours.

19.8: Medical Leaves of Absence. When recommended by an employee's personal physician in writing, a medical leave of absence for up to a twelve (12) week period will be granted by the Sheriff. Such leave may be extended for a like twelve (12) week period or shorter, at the sole discretion of the Sheriff, up to a maximum of one (1) year. Such extensions, if granted, shall be based upon the written certification by the employee's physician that the continued illness or disability precludes the employee from working and the continuation of the leave of absence is necessary. Such leave, up to a maximum of twelve (12) weeks, if granted, will be allowed and credited as continuous county service, i.e. seniority continues for the twelve (12) weeks only. The employee shall be entitled to their former position or a position for which they are able and capable of performing upon return to work. A medical leave of absence shall be without pay and

other fringe benefits once the employee exhausts all applicable sick, vacation, and **flex** time.

19.9: The Employer shall continue to pay the employer's share of Blue Cross/Blue Shield premiums/illustrated rates and any other Employer paid insurance provided for hereunder, including but not limited to, life insurance premiums for up to twelve (12) weeks during such medical leave of absence. The employee is responsible for his/her share of benefit costs. Employee shall pay their share of benefits costs by payroll deduction using their accrued leave banks during said leave to the extent necessary to cover benefit costs. If such banks are insufficient, the Employee shall be required to submit payment for the employee share of benefit costs, in advance of the applicable insurance period, to the Employer. If such employee share is not paid in full on a timely basis such may result in termination of coverage with notice to the employee and an opportunity to cure. No employee shall become gainfully employed while on a leave of absence without written permission of the Sheriff.

Leaves of absence shall only be granted to employees whose names appear on the Department seniority list.

In the event of any unpaid leave of absence, which exceeds ninety (90) days in any one (1)-anniversary year, the normal step increase of the employee shall be deferred until the completion of the actual, continuous work time required for advancement to the next step increase.

19.10: Family Medical Leave Act (FMLA) and Americans with Disabilities Act (ADA). The parties acknowledge and agree that they are bound by the ADA and FMLA and their amendments. Notwithstanding the above provisions, the parties also agree that each has the right to exercise its rights under the FMLA in addition to rights contained under this contract.
