Dental Coverage

Effective Date: On or after February 2020

Benefits-at-a-glance

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or copay. For a complete description of benefits please see the applicable BCBSM certificates and riders, if your group is underwritten. If your group is self-funded, please see any other plan documents your group uses. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

Coverage determination: Claims are subject to dental necessity verification and availability of dental benefits when they are processed, as well as the terms and conditions of the applicable BCBSM certificates and riders.

Network access information

With Blue Dental PPO, members can choose any licensed dentist anywhere. However, they'll save the most money when they choose a dentist who is a member of the Blue Dental PPO network.

Blue Dental PPO network- Blue Dental members have unmatched access to PPO (in-network) dentists through the Blue Dental PPO network, which offers more than 535,000 dentist locations* nationwide. PPO dentists agree to accept our approved amount as full payment for covered services, and members pay only their applicable coinsurance and deductible amounts. Members also receive discounts on noncovered services when they use PPO dentists (in states where permitted by law). To find a PPO dentist near you, please visit mibluedentist.com or call **1-888-826-8152**.

**A dentist location is any place a member can see a dentist to receive high-quality dental care. For example, one dentist practicing in two offices is two dentist locations.*

Blue Par SelectSM arrangement- Most non-PPO(out-of-network) dentists accept our Blue Par Select arrangement, which means they participate with the Blues on a "per claim" basis. Members should ask their dentists if they participate with BCBSM before every treatment. Blue Par Select dentists accept our approved amount as full payment for covered services, and members pay only applicable coinsurance and deductibles. To find a dentist who may participate with BCBSM, please visit mibluedentist.com.

Note: Members who go to nonparticipating dentists are responsible for any difference between our approved amount and the dentist's charge.
