Medical and behavioral health

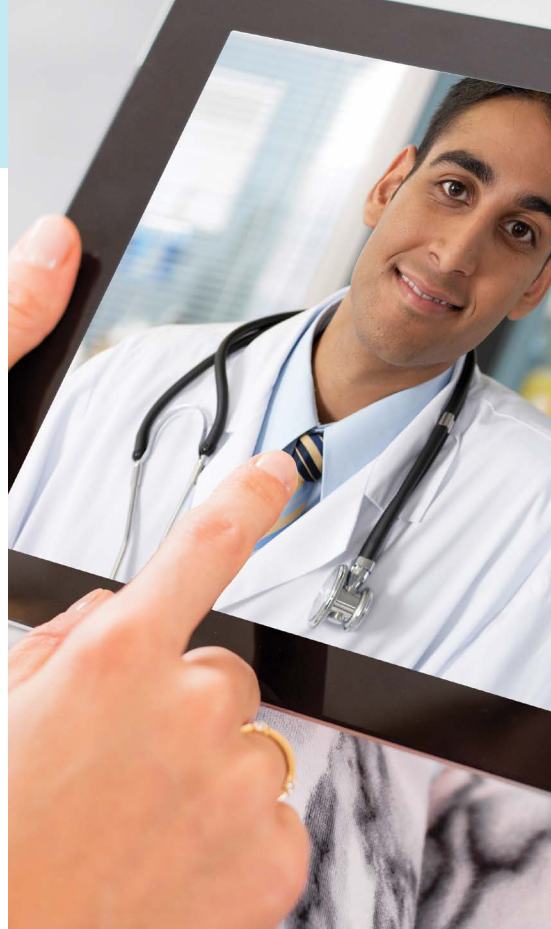

Convenient
care for body
and mind

Use online medical care for colds and other minor illnesses when your primary care doctor isn't available. Doctors are U.S. board-certified and available around-the-clock.

Online visits also give you more choices for behavioral health care. Schedule an appointment to talk with therapists and psychiatrists about life's challenges from the comfort of home.

Blue Cross Online Visits is included in your health plan.

Visit bcbsmonlinevisits.com to create an account. Be sure to add your Blue Cross or Blue Care Network health care plan information.
