Nutrition Education

Fit By Choice

Fit By Choice is a nonprofit organization developed to empower families to live healthy. A team of educators, including a physician, registered dietician, exercise specialist, and chef work together to provide comprehensive, interactive, and fun programs, classes, and services that will give families the knowledge and motivation they need to make the change they desire. Open to all Livingston County residents, including adults and seniors. Fees vary by program, class, or service; scholarships are available. Please refer to www.FitByChoice.org for more details.

IHA Nutritionists

IHA nutrition specialists offer nutrition counseling services at many IHA practice locations. Their expertise can provide you with the necessary knowledge to achieve all of your individual and family dietary needs. IHA Nutrition Services offers one-on-one nutrition counseling, easy to follow, customized eating plans, weight management programs, prevention/management of chronic disease through dietary and lifestyle changes, guidance in managing nutrition science to form healthy habits that will help you look and feel better, assistance with all of the misinformation about food and nutrition, and a healing approach to being diagnosed with medical conditions and their associated symptoms. Michigan Model for Health™

The Michigan Model for Health™ is a comprehensive and sequential K-12 health education curriculum that aims to give school-aged children (ages 5-19 years) the knowledge and skills needed to practice and maintain healthy behaviors and lifestyles. It provides age-appropriate lessons addressing the most serious health challenges facing school-aged children, including social and emotional health; nutrition and physical activity; alcohol, tobacco, and other drugs; personal health and wellness; safety; and HIV. This Michigan Model for Health™ facilitates learning through a variety of interactive teaching and learning techniques.

It is designed for implementation as a component of the core school curriculum, with each of the lessons lasting 20-45 minutes in length. The lessons may be integrated in various disciplines such as language arts, science, social studies, etc. Furthermore, some lessons include activities to facilitate parental and family involvement beyond the classroom. The curriculum can be implemented in public, private, or alternative schools.

With support from the State of Michigan Healthy Michigan Initiatives Fund, LESA/WISD has been able to offer training and curriculum for schools implementing the Michigan Model for Health®. Ongoing support and technical assistance is available from the Regional School Health Coordinator/Health Education Consultant, Mary Beno, at (517) 540-6838 or marybeno@livingstonesa.org.

MSU Extension: Nutrition and Physical Activity

To help youth be healthy, Michigan State University Extension delivers relevant evidence based education to serve the needs of youth in the community. Programs for youth in grades prekindergarten to twelfth grade with age-appropriate, literacy-based education in areas of nutrition, food safety, physical activity, body image and media influence on health choices.

For more information, contact Shelley Frazier at (517) 546-3950

PE-Nut

(Physical Education and Nutrition Education Working Together)

PE-Nut is a nutrition and physical education program that uses a whole-school approach to motivate students, parents and educators to be physically active and eat healthier. PE-Nut is designed to improve health behaviors in a school environment by presenting simple, consistent nutrition and physical activity messages via multiple approaches. These approaches include classroom instruction, parent engagement activities, school-wide nutrition and physical activity messages, take-home activities, and physical education with nutrition concepts. Academic achievement improves when students receive a healthful diet and when they can be physically active throughout the school day. In PE-Nut, physical educators, classroom teachers and school administrators' work together to improve nutrition and physical activity in K–5 school settings. It fits nicely with the Coordinated School Health (CSH) approach in schools. Note: schools must be over 50% free or reduced lunch to receive this program. For more information, contact Mary Beno, Regional School Health Coordinator/Health Education Consultant for LESA, at (517) 540-6838 or marybeno@livingstonesa.org.

Shapedown®

Saint Joseph Mercy Health System offers Shapedown®, a national weight management program for families. Parents and children work together as a team with a social worker, registered dietitian, and exercise specialist to learn how healthy eating, an active lifestyle, and effective communication promote weight loss and family unity. The program starts with ten weekly two-hour classes. May be covered in part by certain insurances. Scholarships are available. Visit www.stjoesannarbor.org/shapedown for more information.

UMHS Nutrition Counseling Centers

Our Nutrition Counseling Centers are designed for non-hospitalized patients and are staffed by registered dietitians who have expertise in adult, pediatric, prenatal and geriatric nutrition. We address a variety of nutrition-related conditions, including diabetes, blood lipids (cholesterol and triglycerides), hypertension, kidney disease before dialysis, polycystic ovarian syndrome, hypoglycemia, gluten intolerance (celiac disease), irritable bowel syndrome, gastroesophageal reflux disease and obesity. We offer medical nutrition therapy by appointment only, with same-day openings available occasionally. Self-referrals are welcome. For an appointment, call (810) 227-9510 (Brighton Health Center) or (517) 548-1020 (Howell Pediatrics/ Howell Health Center).

Food Assistance

Emergency Food Assistance Program (TEFAP) and Shared Harvest Pantry

OLHSA, in partnership with Gleaners Community Food Bank provides food assistance and information about other services available through OLHSA and Gleaners, to Livingston County residents in need. Call (517) 546-8500 for more information. To make an emergency food assistance appointment to visit Shared Harvest Pantry, please call (517) 548-3710.

Food Assistance Program

Temporary food assistance for eligible low-income families and individuals is available through the Department of Health and Human Services and increases the food purchasing power of the household. Food Assistance benefits decrease as income increases.

Use MI Bridges, www.michigan.gov/mibridges, or call 888-642-7434, to apply for assistance, check your eligibility status and manage your account online. More information is available at http://www.michigan.gov/mdhhs/0,5885,7-339-71547_5527---,00.html

Summer Lunch Bunch

The Salvation Army Summer Lunch Bunch is a collaborative community meals program that meets all over Livingston County during the summer recess. Through a diverse offering of one-time, daily and weekly meetings at host sites around the county, families with children are ensured access to plentiful food all summer long. Most of the community residents are within 15 minutes of a Summer Lunch Bunch site. Although the primary purpose of the program is to alleviate summer meal gaps for children, the program is not just about free food!

Unique opportunities for free family fun happen all summer long, and fun activities are paired with the served meals. Programming is sought with a focus on literacy, physical education, nutrition education, science, art and of course--fun. The program even offers free family field trips throughout the summer. All of this is 100% free to families, although donations are accepted.

The program is coordinated by The Salvation Army of Livingston County, with collaboration and support of The Livingston Hunger Council, and is supported through the Livingston County United Way, USDA Summer Food Service Program, and generous community donations. For information, please email liz_welch@usc.salvationarmy.org or call (517) 295-4347.

WIC Program

WIC is a health and nutrition program that has demonstrated a positive effect on pregnancy outcomes, child growth, and development. WIC provides supplemental food, nutritional counseling, and support, as well as connections with beneficial community resources. Call (517) 546-5459 for more information or visit www.lchd.org

Project SUCCESS

Project SUCCESS, a SAMHSA model program, is a program that prevents and reduces adolescent substance use and abuse. It works by placing highly trained professionals in the schools to provide a full range of substance abuse prevention and early intervention services. In our community, a Project SUCCESS Counselor is placed for one day in each of our local public high schools and middle schools. They primarily work with adolescents individually and in small groups, conduct large group prevention/education discussions and programs, train and consult on prevention issues with school staff, coordinate the substance abuse services and policies of the school, and refer and follow up with students and families needing substance abuse treatment or mental health services in the community. Dates and times vary by location, but you may contact Karen Bergbower at karen@kbamichigan.com or (810) 225-9550 for specific information.

Camp Fire

Camp Fire has a large variety of age appropriate programs. All of our programs focus on high quality age appropriate activities which incorporate problem solving and critical thinking. Programs listed below are offered by Camp Fire. Other enhancement activities such as yoga, theatre improve etc. would be contracted to outside vendors but at this time cannot guarantee availability so they are not included in the list:

- **Wise Kids:** Camp Fire's Wise Kids Outdoors health and wellness programs uses the simple theory of "energy in = energy out" to teach children about eating healthy and

living a healthy lifestyle

- **Building Blocks:** Building Blocks provides an exciting approach for youth to learn about science, technology, and mathematics
- **Arts & Crafts:** Age appropriate craft projects designed to spark creativity
- **Music:** Youth will experience different elements of music through song, dance and drumming. Participants will make simple musical instruments and learn about how music is made through hands on experiences
- **Taking Care of Me and I'm Peer Proof:** This program is designed to teach kids basic hygiene and life skills with emphasis on anti-bullying techniques
- **InterACTION:** Communication with peer groups and adults is crucial to thriving and success for youth today. Camp Fire's InterACTION focuses on healthy communication skills and helping youth learn simple conflict resolution approaches.
- **In Defense of Food:** In partnership with Public Television this program explores nutritional aspects of food with cooking lessons and other valuable, age appropriate information.

Clubs also available for youth and families:

- **Classic Clubs:** Youth from preschool to high school move progressively through the Classic Cub program in groups according to their grade levels. The small group program offers a mix of fun activities, projects, events & experiences to help develop planning & decision making skills.
- **Family Clubs:** Families can form their own clubs. Since the Camp Fire program is flexible, the specifics of each individual program can be customized to meet the needs of each family. Families in the community come together monthly to participate in activities and to recognize accomplishments.

Hamburg Township Parks and Recreation

Hamburg Township Parks and Recreation invites you to come and play! Come and enjoy the number of local facilities to enjoy:

- **Manly W. Bennett Memorial Park:** approved by the Township Board for specific local non-profit sports groups to offer programming and community events. Park land is located on both the east and west sides of Merrill Road. This 384-acre recreational facility includes baseball/softball/t-ball diamonds, soccer fields, playgrounds, football practice areas that accommodate rugby, a model airplane runway/flying field, picnic areas, hiking, and biking trails, and a newly added Disc Golf Course.
- **The “Gulch” Disc Golf Course:** This course is 18 am holes and 9 pro, and winds

through the woods of Manly Bennett Park West. The course includes some hilly terrain, and benches have been placed along the way to provide resting areas while you play.

- **Lakelands Trail:** One of four linear state parks in the Michigan State Park System that have been converted from under the ownership of the DNR. The 6.5 mile Hamburg Township section of the Trail was a former abandoned railroads route that was redeveloped into a 16 foot wide, non-motorized pathway with a 10 foot wide e paved section for walking, bicycling, rollerblading, running, and cross-country skiing, and a 6 foot wide turf lane for equestrians.

For more information, contact: Deby Henneman, Parks & ADA Coordinator Hamburg Township at (810) 222-1124.

LACASA Volunteer Opportunities

- Position: Teen Advisory Council Member
 - Description: LACASA's teen advisory council is made up of students representing any and all of Livingston County school districts. Students work with LACASA staff to create an annual awareness campaign hosted in all local high schools addressing the issues of dating violence and sexual assault as well as other projects involving prevention and education of our youth.
 - Training: Students will receive ongoing training as a part of the Teen Advisory Council meetings.
 - Time Commitment: Two meetings per month throughout the school year and occasional opportunities with other projects involving youth. Meetings are held twice per month after school hours.
- Position: Cinderella's Closet Representative
 - Description: Cinderella's Closet is a project of LACASA that offers high school girls the opportunity to shop with a purpose. Twice per year at Homecoming and Prom, a volunteer committee installs a pop-up boutique at Snedycors in Brighton that offers dresses for \$25. The boutique boasts at least 800-1000 dresses to choose from! Student guests are given information on keeping themselves safe while also doing something good for LACASA (proceeds from dress sales go back to LACASA) and something good for the environment (repurposing a dress that might otherwise be discarded).
 - High School volunteers are needed to help promote the boutiques on their social media and assist with an annual dress drive competition.
 - Training: New representatives are asked to attend an informational meeting to become more familiar with LACASA, our programs and what is expected from our Cinderella Reps

- Time Commitment: Approximately 10 hours per boutique at the students' availability
- Position: LACASA Collection Volunteer (16 & older please)
 - Description: Volunteers will be sorting and organizing donations generously given to LACASA for the LACASA Collection (a resale boutique in Howell-scheduled to open July 2017) designed to enable clients to shop with dignity and provide ongoing, sustainable funding for LACASA's critical programs. Once open, volunteers will be needed to hold customer service positions (sorting and organizing, merchandizing and tagging and sales.
 - Training: Prior to store opening, volunteers will be asked to complete an orientation as well as on-the-job training on location.
 - Time Commitment: Flexible - we are currently scheduling volunteers to assist on work crews on Saturday mornings and a few mornings during the week. Once the boutique opens, volunteers will be needed to fill weekly or bi-weekly shifts on location.
- Position: Survivor Speaker's Bureau
 - Description: Volunteers who have personal experience with child abuse, domestic violence or sexual assault are occasionally needed to share their experiences of abuse and healing with the community. These opportunities often coincide with a training session, awareness activity, media story or fundraising event.
 - Training: Survivors are encouraged to complete LACASA's 32 hour Core Volunteer Training, but it is not required. Volunteers are required to attend a training specifically for speaker's bureau.
 - Time Commitment: Flexible

Minors will need parental permission to participate in any of the above youth volunteer opportunities

- **Medicaid** provides necessary medical care for recipients and other low-income individuals who are under 21, pregnant, disabled, and blind.
- **Family Independence Program (FIP)** is a cash assistance program for families with children. A family with other income can be eligible if the family income is less than the family's needs and income minus work disregards.
- The **Child Support Program** assists to establish paternity and obtain child support payments from absent parents. This free service is available to all citizens, whether or not they receive assistance.
- **Children's Protective Services** help prevent further harm from non-accidental physical or mental injury, sexual abuse, exploitation, or neglect by a person responsible for a

child's health or welfare. DHHS staff investigate reported abuse and neglect, assist families in diagnosing and resolving problems, refer families to community resources including family preservation services, if necessary petition the court for removal of the child, provide public information about child abuse and neglect and coordinate community service programs. The identity of the reporting person is confidential. Call 855-444-3911 to report suspected abuse or neglect of children.

- **Youth in Transition Program** assists foster care youths between ages 14 and 21. The overall goal is to reduce the negative long-term effects of out-of-home placement by offering comprehensive, individualized services to eligible youths to prepare them for independent living. Applicants need not have an active DHHS case.

Foster Closet of Michigan – Livingston County Branch

Our organization provides clothing, underclothing, toys, shoes, baby equipment, and gear and in some cases furniture to children placed in the foster care system in State of Michigan. These items are new and like new items that have been donated to us.

Our organization helps reduce the financial strain a new placement can place on a foster family by freeing up funds that would otherwise be used to fulfill these immediate needs. These needs are not always met immediately or in full by the State and that is where we step in. Meeting these needs allow foster parents to be able to use the funds saved to help the children adapt to their new home life in other ways. The Foster Closet is not a “One Stop” shop; you may use it as many times as the need arises. Call (800) 554-4966 x209 or visit www.fosterclosetofmichigan.org for more information.

Volunteer Livingston

A program of Livingston County United Way - provides a searchable online resource for finding local volunteer opportunities. Youth that volunteer benefit by learning to respect others, be helpful and kind, understand people who are different, develop leadership skills, become more patient, and have a better understanding of citizenship. Youth who volunteer just one hour or more a week are 50% less likely to abuse alcohol, cigarettes, become pregnant, or engage in other destructive behavior. To find an opportunity, visit www.volunteerlivingston.org or email volunteerlivingston@gmail.com for more information.

This guide is now maintained and updated via the Chronic Disease Action Team, which is part of the [Livingston County Community Health Improvement Plan](#).

A special *thank you* to the local businesses, organizations, and agencies that responded to the call for updates and additions to the guide. These resources have improved and enriched this guide in its 7th edition.
