

In Case of an Overdose

If someone is out cold and/or not breathing, doesn't respond to a hard sternum rub, lips are blue and you hear a loud gurgling/rattling noise:

- 1) CALL 911
- 2) Follow the direction of the dispatcher
- 3) If you have Narcan, use it

The Recovery Position

- Chin is lifted up to keep respiratory passage open
- Mouth is downward to enable drainage
- Arms & legs are locked for stability
