

**Water Resources Plan for Southeast Michigan
Stakeholder Input Session – Livingston County**

Green Oak Charter Township

1001 Silver Lake Rd, Brighton, MI 48116

September 28, 2016

12:00-1:30pm

SEMCOG is hosting stakeholder input sessions in various Southeast Michigan counties to receive input on the development of the *Water Resources Plan for Southeast Michigan*. This meeting serves an opportunity to provide input on water-related priorities at the local level, which will ultimately guide the development of regional policies and implementation activities in Southeast Michigan. Topics to be discussed include water infrastructure (drinking water, stormwater, and sanitary sewer), natural resources, and the blue economy.
