

**BE
COUNTED**

Make sure you're counted
in the 2020 Census.

Funding for many
local senior services is
distributed based on the
Census count.

For the first time, every household will have the option to complete their Census form online or by phone. For more information, including a list of local Census completion assistance events, go to www.aaa1b.org/census-2020

STAY SAFE AND INFORMED

Be watchful for scammers who pretend to be from the Census Bureau as an excuse to ask about personal or financial information.

The Census Bureau Will Not:

- ▶ Ask for money or donations.
- ▶ Ask for your full Social Security number, credit card number, or bank account number.
- ▶ Ask for your mother's maiden name or other security questions.
- ▶ Promote a political party.
- ▶ Threaten to arrest you.
- ▶ Send you unsolicited emails.
- ▶ Use any URL besides census.gov for the online response option.
- ▶ Send you paper forms that have a return address other than Jefferson, Indiana.

To file consumer-related complaints, contact the Michigan Department of Attorney General toll free at 877-765-8388.
